

Hi! We Are New Here!

On Friday, April 1, 2022, HomeFirst assumed management of the Coordinated Entry System, building on the exceptional efforts of Catholic Charities. Coordinated Entry is the system you may have accessed through Catholic Charities when looking for housing services.

While HomeFirst is new to Sonoma County we have been serving our unhoused neighbors in Santa Clara County for 42 years. HomeFirst will be operating a "No Wrong Door" approach for individuals and families in need of housing resources. This method helps connect you quicker to the services you need - with fewer middle steps.

You can access the system through any provider below
