

Holiday Giving at COTS

Each year members of our community host giving trees for COTS' clients. This year to foster the holiday spirit all through the year, our giving trees will focus on experience and gift cards.

Why gift cards?

By donating passes to area attractions, you create the opportunity for our families and adult clients to create experiences and build lasting memories. Gift cards help foster independence, increase budgeting skills and provide our with gifts that fill both needs and wants without taking up the limited space they currently have.

Here is a list of suggested items to put on your giving tree.
