

# Holiday Giving at COTS

---

Each year members of our community host giving trees for COTS' clients. This year to foster the holiday spirit all through the year, our giving trees will focus on gift cards.

---

## Why gift cards?

Gift cards help foster independence, increase budgeting skills, and provide us with gifts that fill both needs and wants without taking up the limited space they currently have.

---

## Here is a list of suggested items to put on your giving tree.

- Target or Walmart
  - Area Grocery Stores
  - Dollar Tree
  - Fast Food or Local Restaurants
  - Area Gas Stations
  - Discount Stores like Ross, HomeGoods, TJMaxx, Marshalls
-
